**If I Only Had
the Nerve**

A classic colorized still from the 1939 film 'The Wizard of Oz'. It depicts four main characters standing on the Yellow Brick Road. On the left is the Cowardly Lion, a large, shaggy brown creature with a long mane and a small red bow in his hair. Next to him is Dorothy, a young girl with red hair in pigtails, wearing a blue checkered dress over a white blouse. To her right is the Scarecrow, wearing a green tunic, a straw hat, and holding a woven basket. On the far right is the Tin Man, a silver, metallic figure with a pointed hat. The background shows a stylized landscape with green hills and a red and white striped flag hanging from a pole. Overlaid on the center of the image is the text 'I May Not Be Dorothy, but...' in a large, white, sans-serif font.

Dorothy, but...**
